Honored Horsemen and Horsewomen

We will be honoring a horseman or horsewoman each month. Nominees should be individuals who have been outstanding horsemen or horsewomen in the general geographic (presently or previously). Individuals who are deceased are not exempt for this award. We encourage you to contact families of nominees for information and so we can invite the nominee and family members for this presentation.

We must be grateful for the individuals who put time, energy, and their love for horses into our past history as horse enthusiast.

Nominees need not be limited to horse show exhibitors. Ranch breeders, tack and feed individuals, blacksmiths etc… are all a part of our heritage.
